Tender Notification.

1. Sealed tenders will be received at the Office of the Executive Engineer, Shimoga Division, Shimoga, up to 4 P.M. on Monday the 21st August 1939 for constructing a Girder Bridge with 12′ road width across the River Dandavathi in Sorab Taluk (5/6 of Sorab-Anavatti Road).

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Shimoga Division, should be addressed to the Executive Engineer, Shimoga Division in a sealed cover and superscribed as "Tender for constructing a Girder Bridge with 12′ road width across the River Dandavathi in Sorab Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit of Rs. 1,500 under "17 (*a*) Public Works Deposits" or Mysore Government Bonds, duly endorsed at face value or market value whichever is less as earnest money. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within 6 days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contiact form for the due fulfilment of the contract and for the execution of all items of work in accordance with the Bombay Specifications (1931).

5. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

6. The earnest money of the rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

7. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Shimoga, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 5 for each.

8. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

9. For baling work a fixed lumpsum quotation may be given after inspection of site and full enquiry. This sum will not be liable to alteration as per actuals and no claims will be entertained beyond the quotation.

10. Any rates or lumpsum amounts for the items not called for if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with data and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognized and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit at 5 per cent.
